Upon the kind instructions of R Forrest

Complete Dispersal Sale of Tractors, Vehicles, Machinery and Deadstock

Back Othe Town Farm

Back Othe Town Lane, Ince Blundell, Merseyside L38 6JJ

Saturday 1st July 2023 at 10.30am prompt.

Background

The sale has been brought about by Robert's decision to retire from farming activities, and his decision to offer the farm for sale, his farming career spans some six decades and is a testament to his attention to details and exacting standards.

The machinery comprises an excellent range of tractors, machinery and equipment which has been utilised by Alan, an entrusted farm worker. Much of the machinery has been owned since new and has been maintained by main dealers and also local well-respected mechanics. The majority of items have been stored in covered buildings throughout the winter months, I have been reliably informed that the tractors have never seen farmyard manure or slurry and have always been stored undercover at night. In short, a genuine sale not to be missed by farmers and dealers alike.

Auctioneer's Remarks and Stipulations

Armitstead Barnett LLP are delighted to be favoured with the instructions on behalf of R Forrest to conduct this dispersal sale following the decision to retire from farming operations. The sale comprises a range of excellently - maintained machinery, all of which has been owner driven.
